Parents: Retain for your records

To schedule or cancel appointments: (or if you are lost or running late)

Contact Hillary at 207 689 6278 or info@mastclinic.com .

To avoid long waits and cranky kids in the waiting room, visits to Mast Clinic are scheduled at one hour intervals, on the hour. (There have been only rare occasions that our schedule has been upset.)

With the exceptions of illness or inclement weather, Mast Clinic requires *24 hour notice if an appointment must be cancelled or rescheduled.*

.....

For information on bills, payments or insurance coverage:

Contact Briana at 207 310 2863 or briana@asyst2bill.com .

There are many insurance plans that change periodically. Unfortunately we cannot know the specifics of each plan. We are here to work with you but it is your responsibility to know your child's healthcare benefits. You are financially responsible for charges not covered by your health insurance.

.....

Note: Mast Clinic's support staff work offsite so they can be parents too. Be assured that they will return calls or emails as soon as possible.

Your Child is Worth It!
